## COVID-19 Testing Privacy Notice Staff and Students

This policy is reviewed annually

To enable the COVID-19 testing to be completed at Joseph Leckie Academy, we need to process personal data for staff and students taking part, including sharing of personal data where we have a legal obligation. Joseph Leckie Academy is the Data Controller for the data required for processing the tests and undertaking any actions which are needed by the Academy to ensure we meet our public health and safeguarding legal obligations.

Personal data relating to tests for students is processed under paragraph 7 of the Schedule to the Education (Independent School Standards) Regulations 2014 applicable to academies.

Personal Data relating to staff is processed under the legitimate interest of data controller to ensure we can minimise the spread of COVID-19 in a timely manner and enable us to continue to deliver education services safely and securely.

If you decline a test, we record your decision under the legitimate interest of the Academy in order to have a record of your decisions and to reduce unnecessary contact with you regarding testing.

The processing of special category personal data is processed under the provisions Section 9.2(i) of GDPR, where it is in the public interest on Public Health Grounds. Data Controllership is then passed to the Department for Health and Social Care (DHSC) for all data that we transfer about you and your test results to them.
