Date: 10th April 2025

Dear Parent/Carer,

As you are aware, the external examinations are now fast approaching and, with the Easter Holidays arriving, we are in the throes of preparing your children for these exams. Every day counts now, in the lead up to the exams and we are keen to ensure students do not waste any of this key learning time. We have been working with students on writing examination revision timetables and they should be utilising their Easter holiday as a last chance to get some focused revision and preparation done to ensure they are best prepared.

With this in mind, although school finishes for students on Thursday, 10th April, some departments are putting on revision sessions for students on Friday 11th April, on staff training day, to ensure that they can maximise their time. Similarly, some subjects are inviting students in over the Easter Holiday to ensure that they have some focused revision time in school across the two-week period. If your child is invited for these subject-specific sessions, they should have received a letter from their class teacher to notify you of the dates and times. On these days, students must arrive through the main reception and be collected/escorted by the staff. They do not need to wear uniforms for these revision days.

The sessions that I am currently aware of are outlined below:

Friday 11th April

- **Mrs Iddles and Ms Smith- Year 11 Food (Hospitality and Catering)- 9-3pm**

Can I also remind you that students can contact Mr Greaves, Mrs Devey and their teachers over the holiday if they require any support- while I cannot guarantee that they will respond on the same day during their holiday time, most teachers will access their emails.

As you can see, there are a number of subjects that are giving up their time to support the students, so I would encourage any student who has received a letter to ensure that they attend and maximise the learning support that is being offered to them.

If you have any questions, please feel free to contact us at the Academy.

Kind Regards,

Joe Greaves
Vice Principal
