**RE: Parents' Evening & new Period 6 sessions**

Dear Parents and Carers,

We would like to invite you to our Year 11 Parents' Evening on Thursday 5th February, an important event in the run-up to the summer examinations.

**Students should arrive at 4.00pm and go directly to the West Hall for an assembly.** Many students will make their way there straight after Period 6, though some may need to return to school for this time.

**Parents are asked to arrive from 4.30pm**, entering through the West End gate and parking on the West End car park or the yard, before meeting their child. **From 4.30pm, students will collect their mock exam results from the West Hall / Canopy**, and students must be accompanied by a parent / carer to be able to collect these.

Also starting from 4.30pm, our **Careers Showcase** featuring colleges, universities and apprenticeship providers will be open in the **Drama Studio (CBB building)**. This is an excellent opportunity to explore post-16 pathways and speak directly with providers.

**Parents' Evening appointments will run from 5.00pm to 7.00pm** in the CBB. Bookings are now open via Arbor. If you require any support with booking appointments, please contact reception, or email [postbox@josephleckieacademy.co.uk](mailto:postbox@josephleckieacademy.co.uk).

This Parents' Evening is a key milestone for Year 11. Collecting mock results and discussing progress with classroom teachers will help identify strengths, next steps, and the support needed as we move into the final phase of preparation. The Year Team will also be available throughout the evening should you wish to speak with them. We know that the build-up to the summer exams can be a stressful time for students, and your engagement and support make a significant difference.

Alongside this, students will shortly receive updated Period 6 timetables. New paper copies will be issued to all students, **with sessions beginning week commencing 2nd February**. Please note: English Period 6 sessions will begin after February Half Term. Updated timetables will also be available to view on Arbor. These sessions will continue until the summer exams begin; the exact end date will be communicated to students directly.

Learn together, lead together.

If you have any questions or concerns, please do not hesitate to get in touch.

Yours sincerely,

Assistant Principal
