

Joseph Leckie
Academy

Wednesday 30th June 2021

Dear Parent/Carer,

I am writing to inform you of the arrangements for your child collecting their A-Level and Level 3 BTEC results on Tuesday 10th August 2021. As you can imagine, this year's results day will have to work differently to those held in previous years due to the continuation of controls and social distancing guidelines as set out by the government and the Academy's intention to follow all guidelines and reduce contact spaces within the Academy. At the time of writing we are assuming that there will still be some limitations to social contact.

With this in mind, the results that your child has achieved and been awarded will be sent to them by email rather than collected from the Academy, which has been the case in past years. This will help us therefore reduce the amount of people on the Academy site and better protect your child's health and safety. The email results will be sent to their Academy Office 365 email address, so it is integral that your child has access to this on the results day. For the majority of students, therefore, there will be no requirement for them to come onto the Academy grounds during the results day.

If your child is applying to university, they will receive confirmation of their existing offers and the outcome of their applications from 8.30am on the 10th August. If your child has gained their FIRM or INSURANCE place at university and is happy to proceed with this, then there will be no requirement for your child to come onto the Academy site on results day unless they need to discuss this with Mrs Field.

If your child has not achieved the required grades for their FIRM or INSURANCE places, they may want to come into the Academy to have some guidance and assistance with the Clearing process. Mrs Field, Miss Jones and other staff will be available to provide this to those students on the day from 8.30am. These meetings will be held in the new KWB2 building and there will be no access to other buildings on the site. All students must enter and leave through the KWB2 reception and abide by social distancing guidelines both in and outside the building.

The results that your child will receive on results day will be a combination of teacher estimations and decisions by the examination boards based on national and regional data as well as their own past performance. There will be an appeals procedure that is outlined in the student booklet [Student's Guide to Awarding: Summer 2021](#), which can be found on the

Academy website under 'examinations' and at

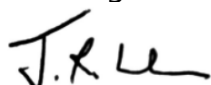

<https://www.gov.uk/government/publications/student-guide-to-awarding-summer-2021>.

The Academy website section on examinations will also provide information regarding the appeals procedure.

There will also be an opportunity for your child to re-sit examinations in the autumn exam series, which will be held in October 2021 for A-Levels if they are unhappy with their results. Due to the very quick turnaround of entries, it is essential that you make us aware of any subjects that your child wishes to re-sit at Joseph Leckie Academy before August 29th 2021. If we do not receive entries by this date, your child will not be able to re-enter for the exams.

We will update the Academy website with updates and any changes to this between now and the results days. If you do have any further questions regarding results day, please do not hesitate to contact Mr Greaves at the Academy.

Kind Regards,

Mr J. Ludlow
Principal
