

Joseph Leckie Academy

17th May 2022

Dear Parents/Guardians

Brighter Futures Project Update

Thank-you for agreeing for your child/ren to be involved in the Brighter Futures Project. We are midway through the project, and have had some insightful sessions delivered by Work Pays to date. The students have engaged very well with the project so far. We hope you've had an opportunity to discuss their experience with them and talk about the upcoming events we have planned!

You may remember from our initial planning that we intended to have some parent workshops too! From the feedback gained regarding availability, we have developed this idea and are asking for you to complete an online **Questionnaire** via Google forms at your earliest convenience – prior to the parent group meeting. *The link for this is included.*

You are also invited to a group parent meeting on **Tuesday 24th May @ 10 -10.45am**. This meeting will be a Sharing, Support and Signposting session and an opportunity to chat with myself and other parents and will be accessible via Zoom. **If you are unable to attend this session, or would like to have a more formal discussion please book a 1-1 Parent meeting. These meetings will be arranged to suit your availability and be available between Tuesday 17th May until Thursday 26th May.** The topic for these meetings will be 'Personal and professional development'. You may book in these sessions by emailing me at: Rhianna_campbell-grant@blackcountryconsortium.co.uk

Closer to the end of the project we would like to arrange a 'Touchpoint meeting' with both you and your young person to review and evaluate the project. More information on this will be provided in due course.

I look forward to seeing and speaking with you soon.
