

# Pupil premium strategy statement – Joseph Leckie Academy

This statement details our school's use of pupil premium (and recovery premium) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the outcomes for disadvantaged pupils last academic year.

## School overview

Detail	Data
Number of pupils in school	1302 (Years 7 -11)

# Part A: Pupil premium strategy plan

## Statement of intent

At the Academy, our vision is as follows: We are a community with the courage to learn and lead together. We believe in equality of opportunity and support the achievement and wellbeing of all. We work to improve ourselves and each other, acting with integrity, empathy and kindness and celebrating one another's successes. We care for our surroundings and believe in our ability to inspire as well as achieve.

The focus of our pupil premium strategy is to ensure that every student (not just disadvantaged) leaves the Academy with the qualifications, knowledge and skills required to make positive lifestyle choices, to lead healthy and successful lives and to contribute positively to society, enriching their lives and the lives of others.

Our primary objectives for disadvantaged students are to:-

- Raise the attainment and aspiration of PP students (including those with SEN needs and More Able) with the intention that Non-PP students' progress and attainment will be sustained and improved by ensuring all students are exposed to high quality teaching and learning.
- Support PP students including high attainers to overcome barriers to learning by providing targeted support such as mentoring, careers guidance, support with health & wellbeing and access to resources.
- Support PP students and their families to improve overall attendance and reduce Persistent Absence.
- Support PP students through high-quality mentoring to improve behaviour and attitude to learning.
- Enhance community outreach (transition from Primary schools) and parental engagement to provide parents the support and assistance required to play an active role in Academy life.
- Provide PP students with an all-round holistic Academy experience and increase culture capital opportunities.

Our approach will be responsive to common challenges and individual needs, rooted in robust diagnostic assessment, not assumptions about the impact of disadvantage.

The approaches we have adopted complement each other to help students excel. To ensure they are effective we will:

- Ensure PP students are challenged to make progress
- Act early to intervene
- Work collaboratively with all stakeholders
- Adopt a whole school approach in which all staff take responsibility for disadvantaged pupils' outcomes and raise expectations of what they can achieve.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	PP students make below expected progress compared to Non- PP in core subjects
2	PP students have a lower reading age then what their chronological reading age should be.
3	Pastoral and behavioural barriers to learning.
4	Overall attendance is lower for PP students in comparison to Non-PP students.
5	Parental engagement for PP students (parents evening's (on-line and face-to-face), coffee afternoons, attendance clinics) is lower in comparison to Non-PP students.
6	PP students arrive with limited knowledge of careers advice and guidance.
7	To support PP student's health and well-being opportunities.
8	PP students are often reluctant to participate in extra-curricular activities due to low self-esteem, anxiety and financial constraints.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To narrow the overall Attainment 8 and Progress 8 Gap between PP and Non-PP students.	<ul style="list-style-type: none"><li>• All staff implement the TEEP and TLAC pedagogical models to ensure consistency in teaching.</li><li>• All staff to work towards implementing MOP sequence as part of a metacognition project.</li><li>• PP students are prioritised for one-to-one/small group support by Teaching Assistants and Internal Assessment Markers.</li><li>• PP students to be provided with revision and practical resources to support with financial</li></ul>

	<p>barriers to learning.</p> <ul style="list-style-type: none"> <li>• Early interventions within Faculties/Departments are carried out for identified PP students after each Data Drop and are recorded and reviewed.</li> <li>• Regular review of CAS data drop to direct intervention of PP students.</li> <li>• Underachieving targeted Year 11 PP students included in year mentor cohort to direct pastoral support or SLT.</li> <li>• Targeted PP students are prioritised during Achievement Meetings.</li> <li>• Strategies such as focus 5 used within departments to close the gap between pp and non pp.</li> <li>• Targeted PP book scrutiny and drop-ins calendared across the academic year.</li> </ul>
--	---

<p>To enable PP students to reach their chronological reading age.</p>	<ul style="list-style-type: none"> <li>• Targeted PP students in Years 7 &amp; 8 to complete Lexia interventions in English lessons and tutor time to reach their chronological reading age and access the wider curriculum.</li> <li>• Targeted PP students in Year 7 &amp; 8 supported through Paired Reader to help build upon and develop their current reading age and their love of reading.</li> <li>• Targeted PP students in Year 7 &amp; 8 supported through the Read Write Ink intervention within SEND to enable them to gain Literacy skills so as to reach their chronological reading age and access the wider curriculum.</li> <li>• To encourage reading for pleasure by incorporating reading competitions within extra-curricular activities.</li> <li>• The appointment of a Lead Practitioner for Literacy to develop whole school reading initiatives and reading platforms. Targeting PP students focuses.</li> </ul>

## Part B: Review of the previous academic year

### Outcomes for disadvantaged pupils

We have analysed the performance of our Academy's disadvantaged students during the 2024/25 academic year using Key Stage 4 Performance data from FFT.

<b>1. Progress 8 (P8) Gaps</b> - These are based on internal CAT4 scores rather than KS2 SATs due to the year group not taking KS2 SATs due to COVID.		
<b>Disadvantaged:</b> +0.44 <ul style="list-style-type: none"> <li>English: +0.36</li> <li>Maths: +0.32</li> <li>EBacc: +0.63</li> <li>Open: +0.38</li> </ul>	<b>Non-Disadvantaged:</b> +0.84 <ul style="list-style-type: none"> <li>English: +0.63 (-0.27)</li> <li>Maths: +0.87 (-0.55)</li> <li>EBacc: +0.97 (-0.34)</li> <li>Open: +0.83 (-0.45)</li> </ul>	Progress 8 is designed to measure school effectiveness in levelling the playing field for all pupils. Targeted efforts are needed to close the subject-specific gaps. High quality teaching.
<b>2. Attainment 8 (A8) Gaps</b>		
<b>Disadvantaged:</b> 39.08 <ul style="list-style-type: none"> <li>English: 8.57</li> <li>Maths: 7.23</li> <li>EBacc: 11.54</li> <li>Open: 11.74</li> </ul>	<b>Non-Disadvantaged:</b> 45.97 (-6.89) <ul style="list-style-type: none"> <li>English: 9.62 (-1.05)</li> <li>Maths: 8.96 -(1.73)</li> <li>EBacc: 13.54 (-2)</li> <li>Open: 13.86 (-2.12)</li> </ul>	Lower attainment among disadvantaged pupils reflects systemic barriers such as limited access to resources, tutoring, or stable learning environments. Targeted support.
<b>3. English Baccalaureate (EBacc) Participation and Achievement</b>		
<b>Disadvantaged:</b> <ul style="list-style-type: none"> <li><b>APS:</b> 3.48</li> <li><b>% Entering:</b> 43.7%</li> <li><b>% Achieving Grade 4+:</b> 17%</li> <li><b>% Achieving Grade 5+:</b> 10.4%</li> </ul>	<b>Non-Disadvantaged:</b> <ul style="list-style-type: none"> <li><b>APS:</b> 4.13</li> <li><b>% Entering:</b> 56.5%</li> <li><b>% Achieving Grade 4+:</b> 20%</li> <li><b>% Achieving Grade 5+:</b> 14.8%</li> </ul>	The EBacc participation had doubled and success rates amongst disadvantaged pupils are significant, as EBacc subjects are often seen as gateways to higher education. Wider opportunities.
<b>4. English and Maths (Basics Measure)</b>		
<b>Disadvantaged:</b> <ul style="list-style-type: none"> <li>Grade 5+: 23.7%</li> <li>Grade 4+: 45.9%</li> </ul>	<b>Non-Disadvantaged:</b> <ul style="list-style-type: none"> <li>Grade 5+: 38.3%</li> <li>Grade 4+: 65.2%</li> </ul>	English and Maths are pivotal for post-16 pathways. The 15 percentage point gap highlights that disadvantaged pupils are less likely to meet this benchmark. High quality teaching.

## Further information (optional)

During the 2024-2025 Academy year, we supported our PP students with the following interventions:

- Uniform, PE kit and transport (bus-fare and taxis) for students in all year groups.
- Year 11 PP students were provided with resources to support with the practical element of their Food Technology exam.
- Year 7 & 8 PP students have been provided additional support through RWI, Lexia and Paired Reader to improve literacy skills and narrow their reading age gap.
- Students in all year groups provided mentoring (in-house and external agencies) to support with SEMH, transition, anxiety, behaviour, self-esteem, attendance and anger management.
- EAL PP students supported with RWI Fresh Start and Lexia.
- Year 10 More Able PP students were prioritised for university visits to Cambridge/Oxford to enhance knowledge, understanding and confidence to apply to Russell Group universities.
- Years 7-10 More Able PP have opportunities presented from NACE during weekly assemblies.
- Years 7-10 More Able now partake in a More Able inter school competition each half term set up by Joseph Leckie Academy.
- Hard to reach families supported by our Home Liaison Officer and our Steps Together team. PP student's prioritised.
- Year's 7-11 Parental Attendance workshops targeting PP students.
- All Year 11 PP students were prioritised to receive one-to-one careers advice from the Careers Advisor and also took part in a 15-minute practice interview with employers.
- Selected Year 10 PP students took part in the Brighter Future Project to motivate, inspire and support them to make informed choices about their future.
- Year 7-11 PP students are given the opportunity to receive peri instrumental lessons to support their cultural capital experiences.
- Trips to Cologne and Barcelona are offered to all PP students and funding provided where needed alongside the Fischer Family Association to support access to wider opportunities.
