

Art

YEAR 10 HOME LEARNING TASKS

- You are to continue working on your art coursework.
- You should continue to explore your chosen theme producing a range of good quality drawing studies. You should aim to produce at least 2 drawings per week.
- You can develop your coursework theme and ideas by researching and exploring artist's styles and or experimenting with art materials and processes.
- You should start to consider how you will combine all elements, Drawing, materials and your understanding of other artist to develop some final outcome ideas.
