## History Transition Activity

### History - Learning Chronology

**Chronology** is the study of exactly when things happened. When historians put events in **chronological order** they put them in the order that they happened. The word 'chronology' therefore means working out of time.

Your task: Make a timeline like the one below and add the following events and images in chronological order. Get creative and draw your own images! Remember BC is Before Christ and AD is Anno Domini meaning 'The year of the Lord'.

Events and images to be added in chronological order

Roman Britain (43 AD)

Norman Britain (1066AD)

Ancient Greeks (500BC)

World War II (1939-1945AD)
