

Joseph Leckie Academy

ICT Transition Activity

Social Networking

Task 1: Use the space below to write down what is meant by "personal data".

Task 2: Circle the data below which would be classed as "personal data".

<i>Name</i>	<i>Favourite band</i>	<i>Colour of your bedroom carpet</i>	<i>Address</i>
<i>The type of pets you want</i>	<i>Bank account number</i>	<i>School name</i>	<i>Favourite pizza topping</i>
<i>Date of birth</i>	<i>Phone number</i>	<i>Star sign</i>	<i>Best friend's first name</i>

Task 3: Use the space below to write three rules for what you should do if somebody is making you feel uneasy when using a social networking website.

1.
2.
3.

Extension Activity: Draw a poster to tell people how to stay safe when using social networking websites.

How much can you tell?

Task 4: Look at the following page on an imaginary social networking website. What can you tell about the person the page is about?

	Name: Simon Wilson
	Things I love: Football
	Things I hate: School as they give too much homework

	Simon Wilson > Timothy Baker Today via iPhone 👍 1
	Hay Tim, do ya' wanna meet in town by McDonalds today? Timothy Baker > Simon Wilson 💬 1 Yeah, see you around 1.
	Simon Wilson 15 th April 👍 23
	Is loving the football, 2:1 come on! 💬 3
	Simon Wilson 20 th February via iPhone 👍 14
	Yay, Happy birthday to me! 💬 28
	Mark Thomas > Simon Wilson 1 st February via iPhone 👍 12
	Congratulations for getting onto the team <i>Bigtown Rovers Under 11's</i> . See you Saturday morning for practice! 💬 3

Friends:	1348
